Sorry Dave – what I just sent you is AVX's response to some of DEP comments on the 2014 or 2015 (?) Phase II written on August 22 when they sent the Phase III.

Here are Nobis' comments.

Hi Ginny,

As you await our comments on the Aerovox Phase III, I am sending you Nobis's comments on the Phase III, Nobis's comments on EPA's comments to the Phase III, and Nobis's comment on the City of New Bedford's comments to the Phase III.

I have reviewed Nobis's comments. At this time, I don't have any reason to disagree with their

comments. However, I will be consolidating my review comments with Gerard's and Nobis's, so please know that the attached comments are "Draft" and do not yet fully represent MassDEP's stance on the Phase III.

Thanks,
